

# Lois Weedon and Weston Newsletter

November/December 2016 – Winter Edition

## From the Editor

In a few weeks we will be starting to get ready for Christmas. There will be several events leading up to the festive season including carol singing, Senior Citizens Christmas Lunch, Village Hall Christmas Market including a special Christmas Hamper Raffle and of course the local Christmas Card delivery service.

This will be the last edition of the Village Newsletter for 2016 and it's been a very busy year.

The Newsletter is published 6 times a year (January, March, May, July, September and November) and is funded by the May Day Committee, the Parish Council and by private donation and as editor, I am very grateful for that support. 165 printed copies are delivered by hand and a further 50 (approximately) by email... and that community is growing. Each edition is between 8 and 10 pages and often more, resulting in over 2000 copied sheets each time. To do this I rely on an "office-class" copier, which was originally purchased with a grant from the Parish Council. It is available to make copies for any organisation or individual in the Village for a small charge to cover the cost of materials.

I'd like to officially welcome the following people to the village: Chris & Lorna Brough with their sons Freddie and Henry who have moved into Pear Tree Cottage Weston; Charles and Sarah Jarman and their family – Charlie, Ella, Gretel and Harry who have recently moved into Armada House and finally, welcome to Tiffany and Jack, new residents in Kettle End. If I've missed anyone, I apologise – I'll get you next time !!!

The next edition of the Lois Weedon & Weston Newsletter will be in January 2017 and all material for that edition should be given to me by Tuesday, 3<sup>rd</sup> January 2016. For contributions to be published I will take them in any format but I generally appreciate them either as MS Word documents or as emails. Pictures or photos are good but I print in black & white so colour pictures don't always reproduce that well. And keep me posted about new or relocating residents – I always like to welcome them in the Newsletter.

Finally, as editor, publisher and delivery boy of the Newsletter, I would like to take this opportunity to thank everyone for their continued support and wish you all the very best for the coming festive season and the New Year beyond.

## **Parish Council News**

Edited notes from the Parish Council meeting held on September 26<sup>th</sup>, 2016 at 8:00 pm in Weston Baptist Chapel. Detailed minutes are published and posted on the Village notice boards and also available from the Clerk to the Council. Councillors in attendance: 5 + the Clerk + 2 apologies.

### **Items discussed in the meeting included:**

New building at Barlye Furlong. Concerns have been raised by local residents about the size of the new building that has been constructed. The Clerk was asked to contact SNC Planning to ask if the building has been checked for compliance with the plans approved in 1994.

**Planning and Licensing Matters.** Application S/2016/2310/LBC – 4, Helmdon Road, Weston. The Council agreed unanimously that it has no objection to the proposed amendment to the original plan.

**St. Loys School Parking and Traffic Problems .** A meeting has been arranged on 8<sup>th</sup> November between the Parish Council and the School Governors, to discuss how the safety of the children can be improved and inconvenience to local residents and businesses reduced. It was agreed that Jay Shah, of Safer Routes to School, should be invited to the meeting.

**Finance:** Income and expenditure budget was reviewed and acknowledged to be on track. The report from external auditors, BDO, was reviewed and accepted. Specific attention was paid to the New Hones Bonus. Planned expenditure from this fund include a new marque for use by village organisations. It was noted that the Village Hall Management Committee is seeking advice and costings for possible improvements to the kitchen facilities at the Village Hall. When plans and costings are available the Parish Council will consider a donation to cover part of the cost, to be reclaimed from the NHB

Payments were approved for CGM (grass cutting), E.On (street lighting maintenance – lane at end of Milthorpe), Streetmaster (replacement benches) BDO (audit fees), Davis Clarke (maintenance) Tower Mint (Queens 90<sup>th</sup> commemorative medals) and Clerk's salary, tax & expenses. Advance payments were agreed for fireworks and E.On electricity supply for street lighting in Milthorpe

**Defibrillators:** Cllr. Ellis reported that an application needs to be made as soon as possible to Northants Community Foundation for funding for two defibrillators. NCF will not accept an application from the Parish Council. This needs to come from another village organisation. Cllr. Ellis and Cllr. Smith will contact the Village Hall Management Committee to agree an application.

**Middlethorpe Street Sign** Cllr. Sheppard reported that she has received a complaint that the Middlethorpe street sign, because it is attached to the bus shelter, is not visible to anyone approaching from the Lois Weedon direction. The Clerk was asked to ask SNC whether the sign can be re-positioned to be more visible.

**Condition of local roads:** SNC Highways were contacted following concerns expressed during the July Parish Council meeting. There has now been an improvement in the condition of the road from Wappenham to Lois Weedon. The Clerk was asked to contact SNC again about the flooding caused regularly by problems with a damaged drain on Milthorpe.

The next meeting will be held at 8.00 p.m. on Monday 28<sup>th</sup> November, 2016 in the Baptist Chapel. Members of the public are welcome to attend.

### **Queen's Birthday Medals:**

The Parish Council purchased commemorative medals for each of the school age children in the Parish and our Clerk has been valiantly distributing them. If you've not received your medal yet, please contact Ken Power on [wlwparishclerk@outlook.com](mailto:wlwparishclerk@outlook.com) or 01327 850054

### **BIRD CORNER - Ashley Cartwright**

When I returned late the other night I was surprised to see a bird rise up from along the drive-side and disappear. At first just thinking it was pheasant I suddenly realised that it was much a more interesting siting. It was a woodcock. For the non ornathologically minded this may be simply of little interest but keep your eyes open when on your next ramble because the woodcock is amongst us.

This late night sighting has just been confirmed because when mooching around the wooded area near the house, the said bird arose from right under my feet, with its' unmistakable long bill and strangely positioned eyes.

They say that if you could shoot a woodcock you were indeed a fine shot as the bird only gets up when virtually trodden on and then rises vertically and with great speed before dropping into undergrowth. That said if any of you shooters sees a woodcock DO NOT attempt to show your prowess as a gun because they are lovely shy birds that give such joy should you be lucky enough to see one. And you might see one now because they are definitely in the Parish.

## From the Rectory

As I write this letter, America has elected a new President and the world waits with baited breath to see how that turns out! It seems, as with the British electorate and Brexit, the American people have voted for a change.

Society itself is changing and sadly for us the Church no longer seems to be at the centre of our Community, even if, as here in Lois Weedon and Weston, it is not for want of us trying.

At St Mary and St Peter we try to offer a host of services and social events all of which are you more than welcome to attend. So why not make your Christmas a little bit more special this year and go back to where it all began – to a manger, in a stable.

And that's why in the coming weeks our Church is offering whole host of ways to journey to Christmas and once we arrive -ways of celebrating Christ's birth that are traditional, fun and make it feel like Christmas is truly here.

A list of all our services through this season and well into the New Year will be coming through your door very soon, but just to mention a few dates here:

**Our proper "Countdown to Christmas" starts on Sunday November 27<sup>th</sup> at 6pm with a special Candle lit Service** featuring the words and music of the popular Taize tradition, if you haven't experienced the beauty of these French chants, it is definitely worth a visit.

**On Saturday December 10<sup>th</sup> we are holding our popular and not to missed "Nativity in the Barn" at Manor Farm**, (on the road from Wappenham to Lois Weedon). Bring the whole family to see the Christmas story told with real animals – Who could forget last year's "I'm sitting down" Alpaca or our wonderfully cute donkeys.

All are welcome, mulled wine and mice pies are on offer to keep away the winter chill.

Our candlelit and sweet filled **Messy Christingle** in aid of the children's society **takes place on Sunday 18<sup>th</sup> of December at 3:30pm** (*to come along and make your Christingles*) and then 4pm for the Service itself.

**Carols by Candlelight on December 19<sup>th</sup> at 7.30pm** is bound to get you in the Christmas mood and we start your actual Christmas off with our traditional on **Christmas Eve at 2pm Join in Nativity by Candlelight for Christmas** .

And if you want to join us **for Communion on Christmas Night** we have services at **9.30pm at St James the Great, Syresham and 11.30pm at St Mary Magdalene, Helmdon**.

But while the Christmas lights are still merely promising to sparkle, the falling leaves remind us that Autumn gives us a chance to look back over the year to take stock of all that has happened and 2016 has been a mixed year for us at St Mary and St Peter.

Our new "Harvest in the Barn" proved to be a wonderful and very popular way to celebrate Harvest in the way villages use to do, with food and drink and a fiddlers tunes and back at the start of the year, our Celebration of Marriage and Valentine's Dinner brought some old friends back to the Village.

But this year has also seen us struggle, we are some £9,000 short of meeting our outgoings and the future of a worshipping community that goes back to the Middle Ages is seriously threatened. Simply put, without your support our Church, like a great many other rural English churches, could face closure.

But it isn't an impossible task to keep us going - we are planning a whole host of events to raise funds. In February our increasingly popular "Bingo Night" with our comedy caller Frank is back on the second Wednesday of the month as well as our **Benefice Car Boot sale on Saturday February 4<sup>th</sup>**. Do support us and help keep your church open!

You are also most welcome at any of our services and the Church is open all day for quiet prayer.

Because as we head towards Christmas night, at the end of the day we are all waiting, waiting for the same thing – for Christmas. Waiting for the child that is the Light of the World to come and shine forever.

So enjoy the wait and have a very Holy and Happy Christmas full of God's blessings and please remember...

Your Church is for life not just for Christmas!

### **Police Update November 2016**

As we quickly approach Christmas and are experiencing darker evenings now would be a good time to review your home security. You can obtain useful advice to support this process via our website using the following direct link:

<http://northants.police.uk/page/home-security>

Improving home security can be expensive; however, many burglaries are committed by opportunistic thieves exploiting the fact that many people still do not secure doors, windows and gates. The above link will help you make some changes that will not cost the earth and protect you and your property.

It is also worth joining or following local Facebook sites set up by the local community to assist in providing you with relevant information about crime in your area and facilities available to help you to help yourself. Existing sites include: 'Brackley Burglary Crime and Prevention' and 'Charlton and Newbottle Crime Prevention group'. If anyone is interested in starting a similar site for their own village then please contact us via the email below for guidelines and advice.

Over the last month there have been a number of reports of persons attempting to pass fake £20 notes in both Brackley and Towcester. Two local men have been identified and remain on Police bail whilst all offences are investigated.

We still receive reports of concerns over rising crime in the area. Please be reassured that Brackley and surrounding villages do not show any trends over and above any other similar size areas. This part of South Northants has many social media networks that actively bring you timely and relevant information about what is happening. This can cause fear but also provides you with detailed information that can help you in preventing yourself becoming a victim. It also has the effect of increasing vigilance in the area and reports to Police of suspicious behaviour have increased significantly. Essentially many of you, whether part of an organised group like Street Watch, Neighbourhood Watch etc. or just as an interested private individual, are looking out for each other and that is great for Community spirit.

We often hear of people undertaking random acts of kindness. In the lead up to Christmas think about how you can apply this to crime prevention? Reminding a person to secure their handbag in a supermarket to prevent purse theft, helping a less able neighbour to keep hedges and gardens tidy to reduce the chances of being targeted by rogue traders, offering your skills free of charge to persons less fortunate to assist installing security features. Just a thought!

Please contact us in confidence via 999 in an emergency, 101 for non-emergency or to arrange to speak directly to a local Brackley officer then via our email address [SCT-SouthNorthantsBrackley@northants.police.uk](mailto:SCT-SouthNorthantsBrackley@northants.police.uk)

Brackley Police operate a Twitter accounts @BrackleySctSgt & @Gezshillito105 where we place updates as to our daily activities. This can give you information but are operated by Brackley officers and incidents will take priority. As such the accounts will not be monitored 24 hours a day, seven days a week. We cannot take crime reports via Twitter. If you require more urgent information regarding an incident then please contact us via 101.

Visit our website for more information and updates:

### Parish News

As both Newsletter Editor and a Parish Councillor, I receive a regular stream of information from sources such as South Northants Council, Northamptonshire County Council, The Highways Department as well as companies and organisations advertising products and services. A lot of this material is irrelevant but a fair chunk of it will be of interest to the community. Although I try and include some of the most relevant items in the Newsletter, because the Newsletter is only published once every 2 months and has limited space, much of the information is no longer relevant by the time I come to publish so I send it out by email, but not everyone is on my email distribution list.

If you would like to receive this information and you are not already on my “News for the Parish” distribution list or you know of anyone who would like the updates then email me [loisweedonpaul@gmail.com](mailto:loisweedonpaul@gmail.com) and I’ll update the list

*Paul Smith*

### High Speed Community Broadband.

This service is based on a high-speed private fibre-optic connection to a central hub and distributed by WiFi around each of the participating villages in the Tove Valley. The system is installed and maintained by teams of volunteers. Each of the member households are now benefiting from a stable and consistent service of at least 30Mbit/s – that’s about 50 to 60 times faster than the equivalent service from a well known telecom company.

There are currently over 450 users on this system across the valley and in Lois Weedon, Weston & Plumpton we have 120 homes connected (or registered and soon to be connected) – that’s about 75% coverage, by the way.

Anyone interested in joining the system or to find out more about it go to [www.tovevalley.com](http://www.tovevalley.com) and register.

*Paul Smith*

The draw will take place on at 12 midday on **Saturday 17<sup>th</sup> December** at the close of the Christmas Market.
